Bitton In Bloom Garden Competition 2019

We are searching for the best gardens in the Parish and to celebrate the hard work of our local gardeners by encouraging free entry to our annual Bitton In Bloom competition. If you live in the Parish and would like to enter any of the eight categories, send your form to the Leisure Officer at the address below who will arrange for your garden to be judged between 1st and 14th July.

This is a friendly, relaxed competition encouraging local people and businesses to enhance the local area with their gardening skills. So deadhead the flowers and pull out the weeds, the judges are coming. The competition ends with a presentation evening and buffet in September where certificates are given to the winners and there is a chance to meet other local gardeners.
